(9)* 6½" x WOF for border

*Cut at least 2 additional WOF strips for a fussy-cut border (a more advanced option is covered in step 4).

Fabric B, cut:

(2) 6½" x WOF; subcut

(8) 6½" squares

Fabric C, cut:

(1) 6½" square

Fabric D, cut:

(4) 6½" x WOF; subcut

(24) 6½" squares

Fabric E, cut:

(3) 6½" x WOF; subcut

(16) 6½" squares

Fabric F, cut:

(6) 6½" x WOF; subcut

(32) 6½" squares

Fabric G, cut:

(6) 6½" x WOF; subcut

(90) 2½" x 6½" vertical sashing strips

(19) 2½" x WOF for horizontal sashing strips

Fabric H, cut:

(10) 2½" x WOF for binding

Instructions

Note: Use a ¼" seam allowance throughout. Sew all pieces with right sides together and raw edges even using matching thread. Press after each seam.

Quilt Top Assembly

Note: Follow the **Quilt Layout** diagram (page 4) while assembling the quilt. Press seam allowances towards the Sashing Strips. Measure the Quilt Center width and height before cutting and adding borders and adjust border measurements if necessary to match your measurements.

1. Noting the **Quilt Layout** diagram (page 4), arrange all the 6½" squares and **Fabric G** 2½" x 6½" vertical sashing strips in 9 rows as shown. Sew the squares and vertical sashing strips into rows, pressing towards **Fabric G**.
2. Sew together all the **Fabric G** WOF strips end to end with straight seams. Press open. Cut into (10) 2½" x 74½" horizontal sashing strips.
3. Arrange the rows alternating with the **Fabric G** horizontal sashing strips as shown and sew together to complete the quilt center. Press towards **Fabric G**. Quilt center measures 74½" x 74½" (unfinished).
4. Sew together all the **Fabric A** WOF strips end to end with straight seams*, making sure to orient all the paisley blooms in the same direction. Press open. Cut 2 top/bottom borders into 86½" long and 2 side borders 74½" long.

*Alternate intermediate-level fussy-cut border method:

Trim 6 WOF strips down so that each short end of the trimmed strip has only the background showing, not any of the large paisley flower blooms. Ideally, just trim away the selvage on the side with the text, and on the opposite side of the yardage, trim off the outermost partial set of blossoms on a vine. Sew 2 sets of 2 trimmed strips together, then add an untrimmed strip to one end of each, noting orientation of the flowers. You may be able to use 1 strip for both with careful cutting. Trim the joined strips to 74½" to complete the side borders. Repeat the process using 3 trimmed strips each for the top/bottom 86½" borders.

5. Noting the orientation of the blooms as shown in the finished quilt, sew the **Fabric A** side borders to right and left sides of quilt center, matching ends and centers, and press towards **Fabric A**. Repeat to add **Fabric A** top/bottom borders to the top and bottom of quilt, to complete the quilt top. Quilt top measures 86½" x 86½" (unfinished).

Finishing

6. Sew together the 2½" **Fabric H** binding strips end-to-end using diagonal seams. Press seams open. Press the binding strip in half wrong sides together.
7. Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.

8. Leaving an 8" tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to $\frac{1}{4}$ " and press open. Finish sewing binding to quilt.
9. Turn the binding to the back of quilt and hand-stitch in place.
