## Cutting

### WOF = Width of Fabric

Cut from largest to smallest for most efficient use of fabric. Label pieces as they are cut to aid in construction.

#### Fabric A, cut:

(1) 16½" x 24½" Center Panel

#### Fabric B, cut:

(1) 5½" x WOF; sub-cut

(1) 5½" x 16½" rectangle – **B1**, (1) 5½" x 29½" rectangle – **B2**, (1) 5½" x 21½" rectangle – **B3** and (1) 5½" x 34½" rectangle – **B4**

#### Fabric C, cut:

(4) 6½" x WOF for Border 2

#### Fabric D, cut:

(5) 6½" x WOF for Border 3

#### Fabric E, cut:

(7) 2½" x WOF for binding

## Instructions

*All seam allowances are ¼" and pieces are sewn right sides together.*

## Quilt Top Assembly

### Notes:

- Follow the **Quilt Layout** diagram on page 4 while assembling the quilt.
- Press all seams away from the Center Panel unless otherwise stated. Measure the quilt center before piecing and cutting Border 2 and 3 pieces and adjust measurements given if necessary.

1. Fold the **B1** rectangle in half, matching short ends, and crease to mark the center. Fold the **Fabric A** Center Panel in half, matching long sides, and crease to mark the center. Matching ends and centers, pin and sew the **B1** rectangle to the top (16½") edge of the **Fabric A** Center Panel (16½" x 29½").
2. Continuing in a clockwise direction around the **Fabric A** Center panel, again matching ends and centers, sew the **B2** rectangle to the right edge, the **B3** rectangle to the bottom edge and the **B4** rectangle to the left edge to complete Border 1 (26½" x 34½").
3. Sew the (4) 6½" **Fabric C** Border 2 strips end-to-end using straight seams. Press the seam allowances open. Cut (1) 6½" x 26½" rectangle – **C1**, (1) 6½" x 40½" rectangle – **C2**, (1) 6½" x 32½" rectangle – **C3** and (1) 6½" x 46½" rectangle – **C4**.

4. Repeat the process in Steps 1 and 2 to add the Border 2 **Fabric C** rectangles clockwise around the quilt center (38½" x 46½").
5. Sew the (6) 6½" **Fabric D** Border 3 strips end-to-end using straight seams. Press the seam allowances open. Cut (1) 6½" x 38½" rectangle – **D1**, (1) 6½" x 52½" rectangle – **D2**, (1) 6½" x 44½" rectangle – **D3** and (1) 6½" x 58½" rectangle – **D4**.
6. Repeat the process in Steps 1 and 2 to add the Border 3 **Fabric D** rectangles clockwise around the quilt center to complete the quilt top (50½" x 58½").

## Finishing

7. Sew together the 2½" **Fabric E** binding strips end-to-end using diagonal seams. Press seams open. Press the binding strip in half wrong sides together.
8. Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top.
9. Leaving an 8" tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" and press open. Finish sewing binding to quilt.
10. Turn the binding to the back of quilt and hand-stitch in place.
